Marshall Libel Case Is Before the Court

William H. Marshall was put on trial at 9:30 this morning for libel committed in the Sunday Volcano upon Chief Justice Judd. Judge Stanley presided, Judge Davis sitting with him at the empanelling of the jury. Former Attorney General W. O. Smith assists Deputy Attorney General E. P. Dole for the prosecution, and J. T. De Bolt appears for the defendant.

The following jurors were excused for cause: G. R. Carter, I. Rubenstein, A. D. Larnach, J. J. Egan, C. B. Grey and W. M. Cunningham. The Court excused L. C. Ables, defendant noting exceptions.

Mr. De Bolt availed himself of the three peremptory challenges allowed defendant by excusing W. L. Hopper, Geo. Angus and F. S. Lyman.

No peremptory challenges were offered by the Government, and the following jurors were sworn to try the case:

C. R. Collins, Geo. S. Harris Jr., Fred. Philip, W. H. Smith, J. D. Treloar, C. J. Ludvigsen, Theo. Wolff, C. H. Clapp, Jas. L. Torbert, John Edinger, J. T. Copeland and Thos. Krouse.

Mr. Dole read the charge also the stipulation admitting certain facts signed by the Deputy Attorney General and Wm. H. Marshall. Further, the prosecution admitted that the case was not instituted by any member of the Judd family, but solely by the Republic of Hawaii.

Then the Deputy Attorney General offered in evidence "The Sunday Volcano" for August 27, 1899, containing the article on which the charge is based. The prosecution rested here.

Mr. De Bolt called H. M. Ayres, who was associate editor of the Volcano. Mr. Dole now offered in evidence the issue of the paper for Sunday, September 3. Marshall A. M. Brown then gave evidence, and at 11:29 the Court took recess till 1 p. m., when the only remaining evidence would be that of defendant.

Filipino Make Capture.

Manila, May 8.—Unofficial letters received here state that 3000 insurgents burned Bulan, in South Luzon, on May 4, and drove out fifty men of the 47th Volunteer Infantry, garrisoning the place. They killed many Spanish and Chinese residents. Last week some Sorogon firms, in response to a petition, sent a steamer to rescue the merchants of Bulan, who were expecting the attack.

Details of the affair are meager, but it is reported the American troops were forced to take refuge aboard ships and that a gunboat shelled the city while the rebels looted and burned it.

Bulan had a population of 20,000 and there were many large commercial establishments located there.

Basket Ball.

The first two games of the series of basketball contests will take place in the Y. M. C. A. gymnasium Saturday night, beginning at 7:30 o'clock. The Honolulu and Diamond Head teams will play the first game, followed by the Sophomore and Malle-Hima teams at 8:20 o'clock. Admission will be only fifteen cents, the proceeds to go toward swelling the natatorium fund.

Was Early Assured

Mr. Oat was only surprised last night as to the early confirmation of his appointment of United States postmaster here. He was informed last September by Private Secretary J. Addison Porter that President McKinley would continue him at the head of the postal service in Hawaii.

TIS GOVERNOR S. B. DOLE

Leading Officials of the New Territory Are Confirmed.

Remaining State Is Practically Finished—Frear Chief Justice—Cook and Bull Story About Hartwell.

Nominations Confirmed.

Washington, May 9.—The Senate has confirmed the following nominations:

S. B. Dole to be Governor of Hawaii and Henry E. Cooper to be Secretary of Hawaii.

J. M. Oat to be Postmaster at Honolulu.

Ray for Marshall.

Washington, May 7.—It is understood that the President has practically decided on John C. Blair of Wyoming as United States Attorney for Hawaii and Daniel A. Ray of Illinois as United States Marshal. The internal revenue officials are taking measures to extend to the islands the internal revenue system of the United States, and the probabilities are now that they will be made a part of the first collection district of California, with a deputy stationed at Honolulu.

State Practically Complete.

Washington, May 2.—The list of Hawaiian appointments has been practically decided upon, although the President may not send the nominations to the Senate for a few days. It is conceded that President Dole will be Governor of the new Territory; Henry E. Cooper, Secretary; Judge W. F. Frear, Chief Justice, and W. E. Whiting, Associate Justice of the Supreme Court. Judge Perry of the present Circuit Court may be made the other Associate Justice. Of the United States offices M. M. Estee of California is expected to get the place of United States Judge and Customs Collector Stackable of Hawaii will probably be continued in the service of the United States Government. The chances of D. J. Ray of Illinois for the Marshalship are not as good as they were some time ago. Philip L. Weaver, an attorney of the islands, son of the former superintendent of the San Francisco Almshouse, is spoken of for United States District Attorney. The President will probably appoint to the Circuit Court Judge Kaula of the Circuit Court of Maui, a native Hawaiian. Gilbert P. Little of Hilo, who has been in Washington all winter, is an active candidate for the Circuit Judgeship. Edward M. Boyd, formerly of San Francisco, is a candidate for Commissioner of Immigration.

General A. S. Hartwell, special agent in Washington for the Hawaiian Government, was recommended for Chief Justice, but the President was given to understand that he did not want the place. Former Attorney General W. O. Smith of Honolulu was asked by the President to take an office, but he refused. He has been here all winter as the representative of the Honolulu Board of Trade.

Estee's Chance Hangs Fire.

Washington, May 8.—The nomination of M. M. Estee for United States District Judge of Hawaii did not go to the Senate today, and the intimation is abroad here that it may be a week or more before anything further is done. Meanwhile the friends of other candidates are getting in their work.

PROVIDE FOR THE DEBT.

Washington, May 9.—A meeting of the Foreign Relations Committee of the Senate was held today, at which was discussed the proposition to take up the indebtedness of Hawaii as assumed by the United States when the resolution annexing Hawaii to this country was adopted. Secretary Gage explained the necessity for additional authority before he could take action to wipe out the indebtedness.

The resolution of annexation provided for the taking up of bonds and other indebtedness to the amount of \$4,000,000, but it has been developed that the full amount of the indebtedness is approximately \$4,600,000, including the liabilities of the Hawaiian postal savings bank. A bill was drawn authorizing the Secretary to take up this indebtedness and the committee today authorized a favorable report to be made out.

ANOTHER BATTLE PENDING

Boers Retreating to More Favorable Fighting Ground.

Roberts to Close on Their Heels—Mafeking is in Dire Straits—British Losses Very Small.

Thaba Nchu, May 10.—Ten thousand Boers under command of General Steyn are reported to be east of Thaba Nchu. A battle is imminent.

London, May 11, 10:50 a. m.—Lord Roberts telegraphs to the War Office from Rietpspruit, under date of May 10, evening, as follows:

"We have had a successful day and have driven the enemy from point to point. French with Porter's and Dickson's brigades of cavalry and Hutton's mounted infantry, crossed the Zand at Vermenten Kral and then worked round in a northeasterly direction to Maatschapp, being opposed continuously by the enemy.

Pole-Carew's division and Gordon's cavalry brigade, augmented by "J" battery of the Royal Horse Artillery, and by Henry's and Ross's mounted infantry, crossed the river by a drift near the railway bridge. My quarters accompanied this force. With the infantry portion we are eight miles north of the river. The cavalry and mounted infantry are at Ventersburg road station and Tucker's division is at Deelfonteinnord.

In Hamilton's forces and Broadwood's cavalry brigade was making for the cross roads near Ventersburg when I last heard from them. Hamilton's column met with stubborn resistance, and Smith-Borrien's brigade was engaged for some hours in protecting the rear and flank of his force.

"The only casualties reported at present are:

"Killed: Rank and file, four; wounded, five. No returns yet received from the cavalry nor Hamilton's force."

Boers Resist Doggedly.

London, May 11.—The Daily Express in its second edition this morning publishes a despatch dated Rietpspruit, May 10, morning, describing the crossing of the Zand river by the British. It says: "The rear guard of the end of the Boers, with their guns, resisted the advance. The mounted infantry, two batteries and pompons cleared the way and the third cavalry brigade acted as a screen before the main column. General French was on the left and General Hamilton on the right. The Boers destroyed all the bridges during their retreat.

"It is impossible to ascertain the Boer losses, but they are thought to be heavy. Those of the British considering the important advance made, are considered light."

Advance Continues.

Rietpspruit, Thursday, May 10, morning.—The Boers opposed the British advance, holding positions north of Zand drift back along the whole line, from General Hamilton on the east and General Hutton on the west. Chiefly artillery was engaged. The Sussex regiment charged a kopje at the point of the bayonet, and the East Lancshires captured another.

"The British loss is insignificant. General Hutton had a series of artillery duels, the Boers always retreating. Twenty Boers were taken prisoners. The advance continues. The Boers are fighting half heartedly. The Free States are sick of the war."

Purpose of Boer Retreat.

London, May 8, 4:30 a. m.—The Boers are everywhere retreating before the British except on the Natal border and at Mafeking to the inner circle of their defenses. They appear determined not to fight until the Kroonstad hills are reached.

Boer Volkraad Angry.

London, May 10.—The Transvaal Volkraad adopted resolutions on Tuesday expressing indignation at the British for not concluding the war in a civilized manner, for killing wounded with lances, for using armed Kaffirs under British officers and for ill-treating prisoners.

President Kruger, after his formal speech on Monday, said the British were prepared for war in 1896, as documents which the burghers had captured showed, but that the Transvaal to avoid bloodshed provided a seven years' franchise and then a five years' franchise.

"Great Britain still demanded," he declared, "and the Republic at length accepted the challenge. Even should the British enter the Transvaal and take Pretoria the Boers will still remain a free people. Our trust is in God, and we may be confident that we will defeat the most powerful Generals."

Adelbert Hay, United States Consul at Pretoria, was present when his speech was delivered.

The Rand continues in secret session. A dispatch credited to an official source in Pretoria says: "The European powers have delivered a collective note to President Kruger informing him that they will hold him personally responsible for the safety of the mines and will support England in enforcing compensation in the event of their destruction."

Mafeking Gets Hungry.

London, May 9.—The tidings from Mafeking are gloomier than ever. Everybody there has an empty stomach and a pinched face. The natives are no longer given porridge and the whites now have but a quart of that substance and a pound of horse sausage daily. Everything else eatable has gone. Insufficient food, wet trenches and cold night are deadly to the health of the garrison. This information comes from reliable natives.

Lady Sarah Wilson, under date of April 27th, says: "The Boers now number 4,500, including young Eloff, President Kruger's grandson, who has sent for six more guns."

The Mafeking correspondent of the Times, who also emphasizes the extreme gravity of the situation, says: "It is impossible to ignore the fatal significance of Colonel Baden-Powell's reference to the hardships endured by the women and children, among whom many deaths have already occurred. The commissariat is holding a certain stock of foodstuffs in reserve for use in the direst extremity."

Val River Crossed

Warrenton, May 5.—Evening.—The Val river has been successfully crossed at Windsorton by Barton's brigade, with whom is General Hunter, commanding the division. The Boers have evacuated Windsorton and Klipdam. They are trekking northward and are fighting for all they are worth. Barton is hanging on to their rear and shelling them vigorously.

Judging from the clouds of dust the retreating Boers must be in very large numbers.

STAUICH REPUBLICAN GILL

Edwin S. Gill Offered Editorship of New Morning Paper.

Recently of Arizona—Hard Work in the Battle for McKinley—Successful Career in Newspaper Work.

Mr. Edwin S. Gill, accompanied by Mrs. Gill, arrived by the Coptic yesterday. Mr. Gill was seen at the Hawaiian hotel this afternoon by a Bulletin reporter and said regarding his coming to Hawaii:

"Well yes, I may probably take up journalism here; in fact some of my friends in Hawaii wrote to me that a new Republican paper was to be started, requesting me at the same time to come out and take the editorship. If I liked the islands, I determined to come and if the arrangements suit, I shall probably stay here. I have always wanted to visit the islands and was all ready to start for Hawaii several years ago, when an accident prevented."

"My newspaper career has been somewhat varied, but I was never on the Denver Republican, as has been stated. That was an error of the Examiner."

EDWIN S. GILL.

aminer. However, I have grown up in the newspaper business from a boy, when I first worked in a country printing office at Richwood, Ohio, at a salary of \$2 a week. I have considered Arizona as my home ever since I established the Republican there ten years ago tomorrow; although I have not resided there all that time.

"As to my work, I consider that which I did for the Cincinnati Commercial, during McKinley's Presidential campaign, as the best of my life. I was at the city editor's desk at the time and resigned to take up political work for the paper. I attended both the Republican and Democrat national conventions and afterwards, with some difficulty, obtained the paper's consent to make a trip into Mexico to write up the industrial and financial conditions of that country in the interest of the Republican Party. I spent three months there and visited nineteen out of the twenty-six States of the Mexican Republic. I went through the mines and met and talked with the miners at meal time to get acquainted with labor conditions. I afterwards visited and examined thoroughly all the great plantations of the country and collected a valuable store of information. This I returned to the United States in a series of letters which attracted national attention; some of these being used by the Republican national convention in the campaign. I might add that I carried a camera and took my own pictures to illustrate my letters."

"When I returned, Governor Brady of Kentucky paid me the compliment to say he thought my letters from Mexico were one of the strongest influences in carrying Kentucky for McKinley. Chairman Goudy of Indiana said substantially the same thing and when I was afterwards in Ohio President McKinley and other prominent Republicans paid me a similar compliment."

"When I returned from Mexico I was sent to Washington by the Commercial where I took charge of their news bureau. In 1897 I resigned and returned to Arizona, where I remained until coming to Hawaii. I like the islands and have no doubt that they are one of the pleasantest places in the Pacific to reside in."

LAST FOREIGN SUGAR SHIP.

The German bark J. C. Pfeuger sailed for San Francisco this morning with colors flying. She is the very last foreign vessel that will carry a cargo of sugar to San Francisco and she must be at that place by the 14th of June in order to get her sugar in. She carries the following cargo: 24,384 bags, weighing 2,979,170 pounds, valued at \$117,704.86 and shipped by the following: 7672 by C. The schooner Helene sailed for San Francisco from the Oceanic wharf this forenoon with a cargo of 27,060 bags of sugar weighing 5,685,425 pounds, valued at \$147,525 and shipped as follows: 1600 bags by W. G. Irwin & Co. to J. D. Spreckels & Co.; 5000 bags by J. M. Dowsett to J. D. Spreckels & Co.; 2700 by T. H. Davies & Co. to Williams, Dimond & Co.; 8187 by Alexander & Baldwin to Williams, Dimond & Co., and 10,423 by M. S. Grinbaum & Co. to M. S. Grinbaum & Co.

The Robert Lewers, sailing for San Francisco early this afternoon, will carry a cargo of 21,217 bags of sugar, weighing 574,387 pounds, valued at \$106,266.40 and shipped as follows: \$91 by M. S. Grinbaum & Co. to M. S. Grinbaum & Co., and 20,326 by H. Hackfeld & Co. to Williams, Dimond & Co.

The W. H. Dimond has finished taking on sugar and will sail for San Francisco this afternoon.

The Pfeuger, Helene, Robert Lewers and W. H. Dimond, all putting to sea within a few hours of each other, will undoubtedly make an interesting race to San Francisco.
